On August 17, 2019 at approximately 0250 hours, while on routine patrol in the W Palm Dr. and E Palm Dr. area, I observed two black males walking North at 80 W Palm Dr. Both males were wearing black colored hoodies and shorts. As I approached, the males then went behind a palm tree and then back into the roadway.

I made contact with both males and asked them for their names. One male identified himself to me as and the other male stated he was I asked both males for their dates of birth and they provided it to me. A FCIC/NCIC check of the names that were given to me revealed that both live in the city of North Lauderdale.

Their actions, the time of day, and the fact that	both	lo not live in the	area raised my alarm and
fear for the persons and property in the area. I	read hoth	their Miranda	a warnings from my
department issued Miranda Card. Both	verbally a	cknowledge to me (b	oth stated yes) that they
understood their rights. I asked both	to explain wh	ny they were in the a	rea of 80 W Palm Dr. and
what they were doing. Both	refused to answer any	questions. Their ref	fusal to answer my
question did not dispel my alarm or fears for th	e persons or property is	n the area and I place	ed both under arrest for
loitering and prowling. It should be noted sever	al attempts were made	to obtain information	n regarding parents or
guardians so I would be able to contact them fo	or both	Both	refused to
provide the information. Both	vere TOT JAC.
