Multiple deceased persons were also observed on scene. This incident will be reported under Broward Sheriff's Office case number 17-1802-000525.

As units were responding to the scene, a description of the shooter was broadcast over the police radio. As a result of the chaos, multiple persons were fleeing the school. After the shooting, the shooter blended in with fleeing students and was able to elude arriving officers

A sworn statement was obtained from witness, [REDACTED], who is employed as a [REDACTED] at [REDACTED]. [REDACTED] stated that he observed Cruz, who he recognized as a former troubled student, arrive at the school in a small goldish colored vehicle. [REDACTED] stated that Cruz was wearing a maroon shirt, black pants and a black hat. [REDACTED] stated Cruz was carrying a black duffel bag and wearing a black back pack. [REDACTED] stated that he radioed his co-worker to alert him that Cruz was walking purposefully toward the 1200 building. [REDACTED] stated that within a minute, he heard gunshots and called a "Code Red", indicating an emergency on campus.

Approximately one hour later, a subject fitting the description of the shooter was contacted at the 1400 block of Windham Lakes Blvd South, Coral Springs by Coral Springs units and identified as Nikolas Cruz, W/M, DOB: 9/24/98). Witness [REDACTED] responded to where Cruz had been located and positively identified Cruz as the person he observed entering the school prior to the shooting.

Contact was later made with witness [REDACTED] who advised that she is an Uber driver and that she drove Cruz to Stoneman Douglas High School and dropped him off there. Arrangements for an Uber ride can only be made via the smart device software application.

It was later ascertained that Cruz was currently living at 7200 Loxahatchee Road, Pompano Beach with the Snead family. James Snead, the head of the household, stated

**Probable Cause Affidavit**

Before me this date personally appeared CURCIO, JOHN (16048) who being first duly sworn deposes and says that on 14 day of February, (year) 2018 at 5901 PINE ISLAND RD, PARKLAND, FL 33076 (crime location)

the above named defendant committed the above offenses charged and the facts showing probable cause to believe the same are as follows

that Cruz` parents were both deceased and that he allowed Cruz to live at his residence for the past few months. Snead stated that Cruz has his own room inside his home. An assault rifle was abandoned on scene. An ATF Gun Trace was performed and records show that the rifle had been purchased by Nikolas Cruz on February 2017.

In a post Miranda statement, Cruz stated that he was the gunman who entered the school campus armed with a AR-15 and began shooting students that he saw in the hallways and on the school grounds. Cruz stated that he brought additional loaded magazines to the school campus and kept them hidden in a back pack until he got on campus to begin his assault.

Cruz also admitted that as students began to flee the campus on foot he decided a plan to discard the AR15 and vest with the additional magazines so he could blend into the crowd. Once the crime scene was secured the discarded AR15 rifle and vest with magazines was found in areas consistent with Cruz`s version of events.

The listed victims were the subjects found on the school campus who had been shot and were pronounced deceased or were victim`s found shot on the school campus and taken to North Broward Medical Center where they were pronounced deceased. The victim`s deaths were caused by the criminal act of Nikolas Cruz and the killings done with a premeditated design. Further, during the commission of the murders, Nikolas Cruz did actually possess and discharge a firearm, and as a result of the discharge, death was inflicted on the foregoing individuals.
