AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT

Your affiant, Lacey Evans, being first duly sworn, does hereby depose and state as follows:

INTRODUCTION

1. I am a Special Agent (SA) with the United States Capitol Police (USCP), where I have served since May 2015. I am currently assigned to the Investigations Division, Threat Assessment Section. My duties and responsibilities, among other things, include investigating threats made to federal officials. I have attended the Criminal Investigator Training Program at the Federal Law Enforcement Training Center in Glynco, Georgia. I have received training and gained experience in search warrant and arrest warrant applications. I have participated in numerous investigations into threats against members of Congress to include violations of Title 18, United States Code, Section 875(c).

2. I am familiar with the facts and circumstances set forth in this affidavit as a result of my participation in the investigation; as a result of my experience, training, and background as an Agent with the USCP; as a result of personal observations and examination of relevant evidence; and as a result of information provided to me by other law enforcement officers and witnesses. The information contained in this affidavit is not inclusive of all the facts of the investigation and is provided for the limited purpose of establishing probable cause to obtain a criminal complaint.

3. This affidavit is submitted in support of a Criminal Complaint for the arrest of JOHN JOSEPH KLESS (hereafter "KLESS") for the Interstate Transmission of Threats, in violation of Title 18, United States Code, Section 875(c).

8. Your Affiant conducted open source searches of the originating number 954-326-0611, revealing the current cellular carrier as T-Mobile and associated users as Kim and John **KLESS**. Based upon the threatening nature of the phone calls, combined with the fact that U.S. Congresswoman Rashida Tlaib was due to speak in Florida between April 20-21, 2019, Your Affiant contacted T-Mobile Law Enforcement Relations on April 16, 2019 at approximately 6:36

p.m. EDT and submitted an exigent request for subscriber information for wireless account 954-326-0611 to include current location, call detail records, and continuous location updates (pings). At approximately 6:51 p.m. EDT, Your Affiant received the results of the T-Mobile request. The account returned to Kim Kless with a billing address of 8030 N.W. 96th Terrace, Apt. 211, Tamarac, Florida, 33321. Database searches of the provided address revealed the current residents of 8030 N.W. 96th Terrace, Apt. 211, Tamarac, Florida as Kim Kless and John **KLESS**, with no additional occupants. T-Mobile additionally provided the current GPS coordinates of the wireless account (26.223840, -80.281885), which returned to the vicinity of the Tamarac, Florida address. Outgoing call detail records provided by T-Mobile confirmed calls from 954-326-0611 to the Washington, D.C. offices of the U.S. Congressman Swalwell from California (202-225-5065), U.S. Congresswoman Tlaib from Michigan (202-225-5126), and U.S. Senator Booker from New Jersey (202-224-3224).

9. Checks of the United States Capitol Police Threat Assessment Section Case Management System additionally revealed a previous February, 2019 case on **KLESS**, involving profane/harassing calls made to California U.S. Congresswoman Pelosi's Washington, D.C. Office. This early 2019 case included voice messages left by **KLESS** concerning Congress taking away his guns, abortion, illegal immigration, and Muslims in Congress.

CONCLUSION

10. Based upon the foregoing facts, your affiant respectfully submits that there is probable cause to believe that **JOHN KLESS**, did commit a violation of federal law, to wit, the Interstate Transmission of Threats, in violation of Title 18, United States Code, Section 875(c).
